

NAS Component Maintenance is pleased to announce that Alejandro Salas Gutierrez has joined NAS Component Maintenance in the capacity of Vice President of Business Development in Latin America. Mr. Salas has been working in the aviation industry for over 14 years where he was worked in several capacities for AeroMexico, Allegro Airlines, Delta TechOps, Volvo, and UTC Goodrich Aerostructures.

Our team is excited with the addition of Mr. Salas. His expertise in providing customer care, innovative business development solutions, and recognition in the industry, will be an asset of enormous value for our staff. It is our pleasure to have him working side by side with our team at NAS Component Maintenance. Without a doubt, Mr. Salas will be a pillar of the foundation being built within this company.
